Subject: Resignation from the NotAnotherPowerPlant (NAPP) Party to Docket #470

Dear Ms. Bachman,

I want to inform you that on 12/01/2017 I notified the NotAnotherPowerPlant (NAPP) group that I was stepping down from my position in the group and informed them that I will no longer be a member of the group as of 12/01/2017. I have also informed Attorney Bashaw of this as well. I also want to make you aware that it was my name and mailing address listed on NAPP's application for Party status; I do not know if and how my separation from NAPP affects their Party status.

I would like to thank you and the other members of the Siting Council for allowing NAPP to participate in the hearings and also for all the work that you devoted to Docket #470.

If there are any questions regarding this please contact me.
